62.6) Chautauqua Dahlia Fields

Mayville, N.Y.

Our Introductions

for 1940

JOSEPH A. McGINNIES—ID

Deep, velvety, glowing, garnet red with black shadows. The blooms are of immense exhibition size on long straight stems. The rich coloring is even throughout the flower and is not streaked or spotted, even in hot sun. It is unusually insect resistant and is a heavy and continuous bloomer. The flowers are facing to erect. This dahlia is a great advancement in its color class.

Roots \$10.00

CHAUTAUQUA DAWN—CACTUS

Certificate of Merit at East Lansing

A very worthy addition to the largest size exhibition cactus varieties. Although it can be forced much larger the blooms range from 9-in.-11-in. with us. The ground color is light yellow overlaid mallow pink, the center being mostly yellow. The effect is orange-pink and yellow. The flowers are facing to half erect on long, stiff stems, easily disbudded. The flowers are produced freely and continuously over a long season and size is maintained until frost. It is a very beautiful and artistic dahlia. Stock very limited.

Roots \$15.00

PURPLE OMAR KHAYYAM—ID

As the name implies this dahlia is a sport of the very popular Omar Khayyam. The color is rosy purple, shading lighter at the tips of the petals. In everything but color it is identical to Omar Khayyam. The blooms are very beautiful and the color is thoroughly fixed.

Roots \$5.00

CITY OF BUFFALO—ID

A real red dahlia. There are no adjectives to fully describe this reddest of all red dahlias. The blooms are 9-in.-10-in. in diameter, facing on fine straight stems. The bushes are husky growers and insect resistant and produce great quantities of blooms. The clumps are large, easy to dig, and keep perfectly in storage. A large supply makes this price possible.

Roots \$2.00
